FEDERATION "FRONT AND CENTER" SPONSORSHIP PACKAGE

Federation is pleased to introduce our "Front and Center" Sponsorship, which offers the ultimate "trifecta" in print and online exposure. No other sponsorship package provides as much widespread exposure among Federation leaders, donors and prospects. Only three of these sponsorships will be offered and each company will have exclusivity within their respective industries.

A. Cover Sponsor – Federation Chai Life Newspaper

Federation Chai Life is the organization's primary source of information for donors and prospective donors in Boca Raton, Delray Beach and Highland Beach. It is produced three times during the peak seasonal period. In 2011, Federation plans to circulate an estimated 10,000 newspapers mailed to our donor base and distributed manually at Federation events.

Your company would receive a cover banner and full-page color ad in each issue and a four-page, four-color pullout section in one of the issues.

B. Home Page Sponsor – JewishBoca.org

Last year, Federation's jewishboca.org web site experienced a dramatic increase in annual traffic:

- ▶ The number of total unique visitors increased from 273,174 to 338,254, a jump of more than 29%. Since 2004 that number has more than tripled.
- ▶ The number of visits increased from 551,279 in 2008 to 581,750 in 2009, a jump of 14%
- ▶ The number of page views in 2009 was 3,891,866, an increase of 28%, and the number of hits was 9,397,007, an increase of 15%

Your company will receive a prominent rotating position on the home page of jewishboca.org

C. Masthead Sponsor – Federation E-Newsletter

The Federation sends a branded e-newsletter to nearly 15,000 donors and prospects monthly and sometimes twice per month. Every e-newsletter features a message from the president, event previews and wrap-ups, LEO's program profiles and feature stories. With rich content and repetition, these e-newsletters are a major reason why web traffic has increased dramatically over the past three years.

Your company would receive a prominent position on the masthead at the top of the Federation's monthly e-newsletter.
