# YOU HAVE THE POWER to change the world

2010  
ANNUAL REPORT

cjb Toby Weisman Palchik  
CENTER FOR JEWISH  
PHILANTHROPY

Jewish Federation  
OF SOUTH PALM BEACH COUNTY

**Dear Friends and our Federation Family:**

We are happy to present our 2010 Annual Report, providing you with an overview of a year of challenge, change, renewed commitment and a re-energized campaign.

Having cut expenses significantly in 2009, our Federation entered the 2010 season ready to work harder than ever and eager to succeed. While the country still struggled in the midst of one of the most challenging economic periods in history, we focused on creating new strategies in order to re-engage donors and reach out to our entire Jewish community. Our ambition paid off with the full rollout of our "Donor Choice" program, the "Adopt-A-Project" initiative for country clubs and the creation of the "Pomegranate" program for women donors, which is a brand new level of giving.

Looking toward a brighter Jewish future, we began the community-wide marketing of "Create a Jewish Legacy" to further promote planned giving and endowments. And, to reach out to Jews of all ages, we launched our first multi-generational Fedstock festival event which drew more than 7,000 local Jewish residents to Mizner Park for a weekend of first-class entertainment and family fun.

Finally, we set a bright, new tone for a rejuvenated Federation by changing our messaging and focusing it on one positive uplifting word: *power*. You have the power to feed, save, rescue, comfort, inspire, educate...and to change the world.

These seeds are sure to bear abundant fruit in the coming years, welcoming more Jews to our Federation family and expanding our good work to ever more people in need.

We thank you for your continued support and dedication. Exciting times are on the horizon and each of us feels truly honored to help usher them in.

**B' Shalom,**

# POWERING UP WITH NEW INITIATIVES

When the going gets tough, the tough get creative. Despite a challenging economic climate, we have been motivated to push the envelope further – unveiling meaningful new ways to reconnect with donors and reach out to unaffiliated Jews like never before. To this end, we are proud to introduce these new initiatives over the past year:

## FULL ROLLOUT OF DONOR CHOICE

We reached out and listened to current and potential donors and heard their preferences in giving loud and clear. As a result, we now offer more choices for donors to direct their gifts to the area of Jewish need that speaks most passionately to their hearts. The Donor Choice Program, which was softly launched in 2010, is being fully implemented this year.

## ADOPT-A-PROJECT

Adopt-A-Project is a unique new opportunity for country clubs, geographic areas and divisions to support a specific project from one of our local and/or international beneficiary agencies.

Some of these projects also provide participants with hands-on volunteer experiences. From a reunion luncheon for Holocaust survivors to feeding the hungry in our community to hosting a Passover seder for seniors, Adopt-A-Project has been eagerly welcomed by all.

## THE POMEGRANATE LEVEL

The new Pomegranate program, and the pin worn by its members, have been specially created for women who donate a minimum gift of \$1,800 to our Annual Campaign. Pomegranate women are invited to special events, luncheons and seminars. Participants are informed of the special meaning behind being a Pomegranate – and all of the goodness that comes with that title. By wearing the stunning sterling pin, Pomegranates are reminded of the Jewish lives we have improved, rescued and renewed. They are also ever mindful of the work that is yet to be done.

## CREATE A JEWISH LEGACY

This year, we've stepped up efforts to promote "Create a Jewish Legacy," which is a community-wide initiative facilitated by the Jewish Community Foundation of South Palm Beach County (the "Foundation") to create a stronger, brighter Jewish future locally. Our goal is to promote the establishment of planned gifts to benefit our local agencies, schools and synagogues, the Federation and its international partners. The results could yield hundreds of millions of dollars in endowments that will perpetually fund essential programs and services in our Jewish community, in Israel and around the world. To date, all of our Federation's founding beneficiary agencies are on board as well as four of the largest local synagogues. We expect additional agencies and synagogues to participate as we continue to promote the program throughout our community.

# FEDERATION CAMPUS DEVELOPMENT:

## Sinai Residences of Boca Raton, a Continuing Care Retirement Community

Our Federation's vision for the future of our campus remains clear and on track. A centerpiece of that vision is development of Sinai Residences of Boca Raton, a Continuing Care Retirement Community (CCRC), on a 22-acre parcel at the north end of the Richard & Carole Siemens Jewish Campus. A CCRC offers a blend of: housing, health care, hospitality, recreational and social services; plans include a life-care benefit which offers discounts for independent living residents on assisted living and nursing care. Sinai Residences will have 232 independent living units, 60 assisted living apartments, 60 skilled nursing suites, and 24 studio suites for the memory impaired.

After years of planning and following extensive due diligence and feasibility studies, the project is being developed by an independent not-for-profit entity, Federation CCRC Development, LLC, that will be owned by our Federation. The idea originated from the Federation's

desire to monetize available land on the Federation campus, thereby creating a revenue source for other aspects of our mission. In addition, the CCRC serves a material need within our community. Once stabilized, it can generate a projected annual cash flow ranging from \$1.5 to \$4 million.

The first phase of financing for the Sinai Residences will consist of the issuance of a tax-free \$9 million pre-development industrial revenue bond for preconstruction costs over the next 24-36 months. This will fund the cost of pre-marketing for the project, design development and other pre-development costs. The extensive market research conducted for Sinai Residences has been extremely positive, and we are excited to begin the formal pre-marketing phase once the pre-development financing closes in March.

For more information about the Sinai Residences of Boca Raton, please contact Sarah Bitton at **561-852-6015** or [sarahb@bocafed.org](mailto:sarahb@bocafed.org).

## FEDERATION SENIOR STAFF

### IRV GEFFEN NAMED CHIEF EXECUTIVE OFFICER

Early in February 2011, the Jewish Federation of South Palm Beach County selected Irv Geffen as its new Chief Executive Officer. After three years as the organization's Executive Vice President of Financial Resource Development, Geffen moved up to the helm as the Federation's top professional leader

"It is with a great deal of pride that I announced Irv Geffen as our new CEO," said Cindy Orbach Nimhauser, Chair of the Federation's Board of Directors. "A consummate leader and respected professional, he brings 30 years of extensive experience in both the nonprofit and for-profit sectors, including 20 years with Jewish Federations and agencies."

"Irv has already made his mark on our Federation with exciting new initiatives in donor-centered giving, legacy planning and leadership development. I look forward to seeing his vision unfold as we continue the sacred task of serving those in need," she added.

## FEDERATION MISSION STATEMENT:

As the central address of the local Jewish community, the Jewish Federation of South Palm Beach County works with a wide range of agency partners to provide:

**Safety Net Services:** This area is focused on serving our community's most vulnerable populations, including the frail elderly, children with special needs, adults with developmental disabilities and those who require basic life essentials such as food, urgent care and financial assistance. This giving center also helps fund aid for victims of local and national disasters, such as a hurricane.

**Jewish Life and Learning:** Federation supporting Jewish continuity and a love of Judaism by inspiring local residents of all ages to learn more about their heritage, by providing Jewish day school scholarships, and by funding programs and initiatives that advocate against anti-Semitism.

**Israel and Our Global Family:** Pledging to help support the security, safety and well being of Israel's Jewish residents and immigrants. Our Federation comes to the aid of fellow Jews in 70 countries around the world. This giving center supports a wide-range of programs and services worldwide including those focused on hunger, re-settlement, poverty aid to victims of terror, Anti-Semitism, natural disasters and establishing a new life in Israel.

With deep roots locally and respected ties nationally and internationally, we have earned the confidence of an active, loyal and growing donor base that is committed to the welfare and continuity of the Jewish people.
