

2004 Annual Report

*Honoring our roots.
Living our values.
Strengthening our future.*

Message to the Community

*With a record-breaking
\$20 million campaign in
2003-2004, our Federation
will be able to enhance services
to more than 130,000 Jews
in South Palm Beach County
as well as Jews in 59 countries
throughout the world.*

The accomplishments we have achieved this year are truly a source of great pride. Bill Bernstein, our Executive Vice President, has assembled a strong and effective professional team. I am confident that over the next several years this group, along with our most valuable asset, our lay volunteers, will lead us to significant growth and development.

We are already seeing positive results. Led by General Campaign Chair Etta Zimmerman and Co-Chair Steve Bedowitz, and Women's Division Campaign Vice President Jane Glaser, the Annual Campaign of 2003-2004 delivered a record-breaking \$20 million. As a result, our Federation will be able to enhance our role as a primary provider of social, cultural, and educational services to more than 130,000 Jews in South Palm Beach County, as well as to Jews in 59 countries throughout the world.

As the Jewish Federation of South Palm Beach County celebrates its Silver Anniversary this year, and our twenty-five year history of making a difference to Jews in need, we should all feel a sense of great satisfaction. I extend my deep thanks and appreciation to our incredibly unselfish and devoted Officers, Executive Committee and Board members, and to each of you for your ongoing commitment and generosity.

There is so much more that I can share with you, but this year's very special Annual Report tells the story far better than I can. I hope you enjoy it.

In the coming year, may we all find peace in our hearts, in our beloved country, and in our beloved Israel.

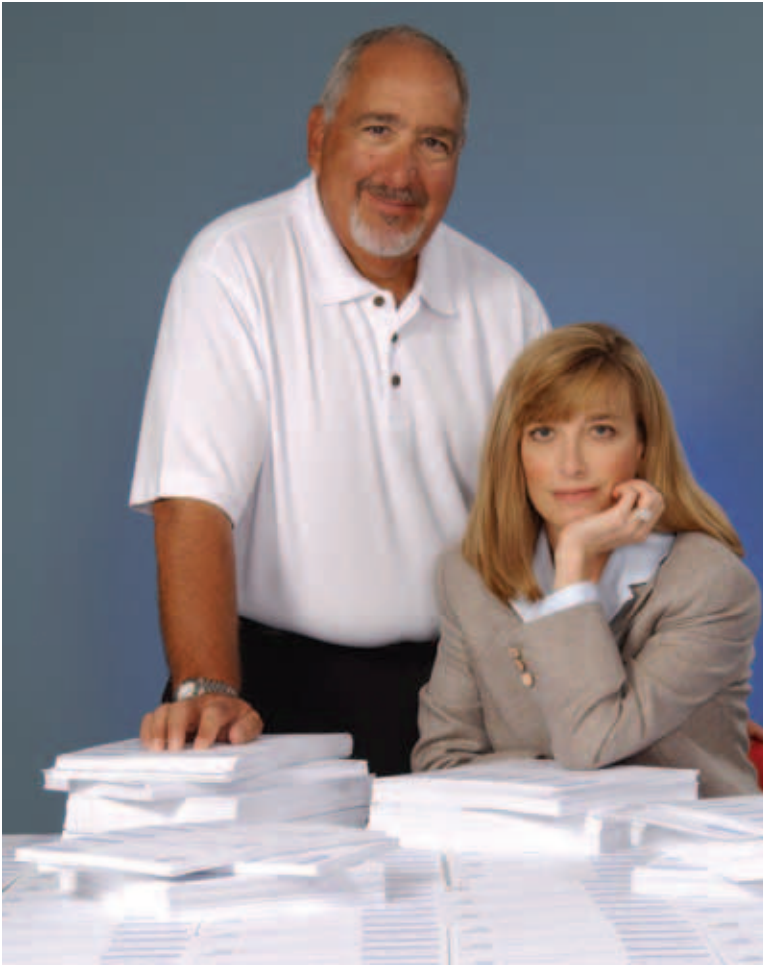

Thank you and shalom,

Fundraising Reports

2004 Federation/UJA Campaign

~Steven Bedowitz & Etta Zimmerman, General Campaign Chairs

The Federation raised a record-breaking \$20 million from more than 14,300 donors. These funds, both unrestricted and a small percentage of restricted, have been allocated at increased levels to our local, national and international partners in serving the needs of the Jewish people. This compares to \$18.46 million in 2003 and \$18.76 million in 2002. General Campaign Chair Etta Zimmerman and Co-Chair Steven Bedowitz spearheaded our remarkable season.

Fundraising Reports

*The Women's Division accounted
for 45% of the 2003-2004 Annual
Campaign with \$8.7 million raised
from 6,326 donors, \$700,000 more
than 2002-2003.*

Women's Division

~Debra Halperin, President & Jane Glaser, 1st V.P. of Campaign

The record-breaking 2004 Annual Campaign was due in large part (45%) to the Women's Division led by Jane Glaser. The women achieved a record of their own by raising \$8.7 million from 6,326 donors, \$700,000 more than last year. The Lion's share of that total was the incredible showing by the more than 800 Lions, 86 of them new this year, bringing in more than \$7 million, or 80%, of the women's campaign. In honor of Israel's 55th birthday, many made a Lion's leap of \$550. South Palm Beach County Lions have been roaring loudly ever since 22 local women founded the Lion of Judah Division here in 1982.

Fundraising Reports

Jewish Community Foundation

~Caryn Clayman, President

The Foundation is often referred to as the Federation's "savings account" providing the Federation with permanent financial resources to ensure the continuity of Jewish life here at home and around the world. Now entering its 20th year, the Foundation has grown to \$55.5 million in assets and a recorded net value under management increase over the last year of \$1,982,656. Deferred gifts through the development of endowments and scholarship funds, charitable trusts, lifetime gifts, and bequests in wills is \$106,000,000 — an important and significant milestone that few foundations ever reach at year end. The Foundation ranks #1 in the country with 161 Lion of Judah Endowment Funds valued at \$22 million and 47 Perpetual Annual Campaign Endowment Funds valued at \$34,407,114. South Palm Beach County is ranked #5 in the country with 83 members recognized at the National Star of David Society.

The Foundation ranks #1 in the country with 161 Lion of Judah Endowment Funds valued at \$22 million and 47 Perpetual Annual Campaign Endowment Funds valued at more than \$34 million.

Honoring Our Roots

*In 2005, we will celebrate
our 25th Anniversary, the
20th Anniversary of the
Jewish Community
Foundation and the
bar mitzvah year of the
Richard & Carole
Siemens Jewish Campus.*

25th Anniversary

Twenty-five years ago, the Jewish Federation opened in a storefront office on the eastside of Boca Raton to serve a Jewish community of 1,200. Today, it serves a Jewish community of over 130,000. Fortunately, the founders and leadership of our community had the foresight and vision to plan for and acquire land that would enable future growth and development of our agencies and schools. On the weekend of January 21-23, 2005, we'll celebrate our 25th Anniversary, the 20th Anniversary of the Jewish Community Foundation, honor our founders and leaders, and celebrate the bar mitzvah year of our Siemens Campus. Co-Chairs Shirley Cohen and Joseph Mishkin are spearheading this event.

Celebrating the Past

We are fortunate to have had so many wonderful community leaders with a strong sense of leadership, vision and foresight to nurture and grow the Jewish Federation of South Palm Beach County.

Pictured here are many of the Federation's original "movers and shakers" who were able to get together for a photo at 3200 Federal Highway, a building that housed one of the original Federation offices:

Margie Baer, Donald Berger, Marianne Bobick, Charles Cohen, Eric Deckinger, Helene Eichler, Albert Gortz, Arthur Jaffe, Margaret Kottler, Abner & Mildred Levine, Dorothy Lipson, Charlotte Robinson, Arnold & Elinor Rosenthal, Richard & Carole Siemens, Rabbi Sam Silver, Rabbi Merle Singer, Norman & Betty Stone, Rabbi Bruce Warshal.

Living Our Values

*Programs provided by the
Jewish Education Commission
offer a broad spectrum of learning
for students of all ages in
south Palm Beach County.*

Jewish Education Commission (JEC)

~Shirley Solomon, Chair

If education is “the strategic plan of the Jewish community,” then the JEC helps the Federation fulfill that plan by coordinating, developing and implementing Jewish living and learning opportunities for students of all ages in south Palm Beach County. This is accomplished through the JEC’s separate youth, adult and Holocaust education programs. The programs provide opportunity for a broad spectrum of learning - whether it’s an hour (at a Distinguished Lecture Series program), a day (at Yom Limmud), a week (at the March of the Living) or a year (at the Florence Melton Adult Mini-School). The JEC also runs the Education Resource Center, the leading provider of training workshops and classroom materials for local teachers.

Building Community

Jewish Community Relations Council (JCRC)

~Steven Mendelsohn, Chair

As the public policy and social action arm of the Federation, the JCRC works to unite the organized Jewish community in south Palm Beach County. The JCRC accomplishes this through education and advocacy programs, workshops, rallies and services that support a safe and secure Israel, promoting interfaith relations, and fighting anti-Israel bias in the news media, anti-Jewish rhetoric on college campuses, and anti-Semitic verbal and physical attacks. The JCRC also maintains positive working relationships with local, state and national legislators and lawmakers to ensure their continuing support for the Jewish community here at home, in Israel and around the world. This year, the JCRC successfully secured the continuation of a state grant of \$157,400 for Federation Transportation Services.

The JCRC maintains positive working relationships with local, state and national legislators to ensure their continuing support for the Jewish community.

Living Our Values

The Federation has many vital community partners.

We work with dozens of local agencies in south Palm Beach County, taking special pride in partnering with its four founding-member agencies – Adolph & Rose Levis Jewish Community Center (Levis JCC), Jewish Association for Residential Care (JARC), Donna Klein Jewish Academy (DKJA) and Ruth Rales Jewish Family Service (RRJFS).

*Cynthia Hollander, President
Dr. Debra Hallow, Executive Director*

*Charlotte Okonow, President
Dr. Jaclynn Faffer, Executive Director*

Jewish Association of Residential Care provides quality Jewish living and learning opportunities to adults with developmental disabilities through its network of group homes and apartments in Boca Raton and Delray Beach, as well as job training, placement and referral services.

The Employabilities Program of JARC provided housekeeping and environmental services to the Hillel Day School of Boca Raton. A work crew of eight clients and a vocational instructor clean the facility Monday-Friday. The children and faculty of the school have embraced the JARC clients and include them in their yearbook. This is an example of the many abilities that people with disabilities have to contribute to our community and our world.

Ruth Rales Jewish Family Service's trained and licensed professional therapists and social workers provide individual, group and crisis counseling, as well as evaluation and referral services.

In a significant expansion of its mission, RRJFS established the Welcome Home Program for the recovering mentally ill. The Program includes support groups for parents and family members concerned about the current and future welfare of their loved ones and a Drop-in Center designed to enhance recovery and rehabilitation through counseling, socialization and mutual support. Within one month, extensive community response brought together more than 50 family members for monthly meetings and more than a dozen participants gather at the Center for weekly activities.

Building Community

*Robert Greenberg, President
Karen Feller, Head of School*

Donna Klein Jewish Academy is an award-winning, full-service kindergarten-12th grade Jewish day school where students experience the joys of learning and self-discovery in an exceptional academic Jewish environment.

This year, ten high school students spent a month studying at the Alexander Muss High School in Israel to enhance their study of Jewish culture and tradition. The school completed its third year as one of eight schools in the nation chosen to participate in the Jewish Day Schools for the 21st Century Project. This program explores engaging ways Jewish values can be incorporated into the educational experience so they become an integral part of students' and families' lives.

*Ed Cohen, President
Allan Just, Executive Director*

Adolph & Rose Levis Jewish Community Center runs a state-of-the-art fitness center, early childhood center, summer camp, Adolph & Rose Levis Alzheimer and Adult Day Care Center, as well as numerous recreational, educational and cultural programs and activities for the entire community.

Last year, the Levis JCC celebrated its 20th anniversary, honored its past presidents and presented the 3rd Annual HaNadiv Crystal Award to Marianne Bobick and Abby Levine. The Adult Day Care Center launched its Auxiliary (with over 100 members) under the leadership of Chair Judy Levis Markhoff with a luncheon featuring Debbie Reynolds attended by over 200. The summer of 2004 marked the expansion of Camp Kavod to more than 20 children. This special needs branch of Camp Ted Weisberg is generously underwritten by FMSbonds, Inc.

*Together, we strive to
provide the cultural,
educational, social,
recreational and
therapeutic programs
and services that south
Palm Beach County
Jews need to grow
and prosper.*

Living Our Values

Partnership 2000

~Yuval Moed, Chair

United Jewish Communities created a program in the 1990's to pair Jewish Federations in the United States with developing communities in Israel. Today, the Federation is partnered with Kiryat Bialik, a suburb of Haifa, best known perhaps for its innovative youth programs and for resettling more Argentinean immigrants than any other Israeli community. The Federation spends about a quarter of a million dollars per year to create a true partnership between the two communities by co-sponsoring exchange programs for teen performers and athletes, students and teachers, and doctors and therapists. This creates a *gesher chai*, or "living bridge," that strengthens and enhances both communities.

The Federation spends about a quarter of a million dollars per year to create a partnership with Kiryat Bialik in Israel by co-sponsoring exchange programs for teen performers and athletes, students and teachers, and doctors and therapists.

Our Overseas Partners: Building Community Worldwide

Israel and Overseas

Our overseas partners, the American Jewish Joint Distribution Committee (JDC) and Jewish Agency for Israel (JAFI), provide support for many initiatives that help those in need in Israel, the Former Soviet Union (FSU), Argentina and anywhere else we are needed. The Israel and Overseas Committee makes recommendations regarding funding and policy. Part of the JAFI allocation is for our Partnership 2000 community and community-building projects such as the teachers' trip to Israel this year. The JDC allocation is split between the FSU and Argentina for social welfare programs and services.

Strengthening Our Future

We are committed to developing young men and women who are caring toward the Jewish community, knowledgeable about the issues, sensitive to solving problems, motivated to reach goals and passionate about ensuring the future of the Jewish people.

Engaging and Energizing Young Boomers

The Federation is eager to re-engage young baby boomers and post-boomers who are in their 40's and 50's and once were active in the Jewish community, but "moved away." This group is accomplished, creative and talented and can benefit our community in many ways. **Ilene Wohlgemuth and Susan Podolsky** are working to re-involve them in Jewish community life. First steps were taken last spring when popular Jewish scholar Rabbi David Woznica of Los Angeles led a seminar in Boca for a group of 40- and 50-year-olds, reminding them of how fulfilling Jewish activism is and inspiring them to make it a part of their life again.

Leadership Development and Training

Identifying, cultivating and training leaders who can wisely steer us well into the 21st century is a priority for our Federation. We are committed to developing young men and women who are caring toward the Jewish community, knowledgeable about the issues, sensitive to solving problems, motivated to reach goals and passionate about ensuring the future of the Jewish people.

Emily Grabelsky and April Leavy, who embody these traits, have been addressing this priority for some time. Last year, the Federation Board approved their leadership development plan. We are looking to fund the program with a permanent endowment.

Looking Ahead with Confidence

Campus Planning Task Force

To best serve our Jewish community, a Capital Planning Task Force has been examining how the Jewish Federation of South Palm Beach County can most effectively use, maintain and refurbish its space, and determine what additional facilities should be built on its central campus. “The Task Force was convened because so many years have passed since our Federation was founded and the needs of the population have grown tremendously,” explains Task Force Chair **Ellen Sarnoff**. “In order to be able to provide programs to our growing community, our Federation must expand its facilities and make the best use of all of our valuable resources.” The Task Force’s primary responsibility of assessing capital needs is the first of a three-part approach. The second component is a demographic study with preliminary results due in May 2005. Ultimately, a capital campaign will follow.

*“The Task Force was convened
because so many years have passed
since our Federation was founded
and the needs of the population
have grown tremendously,”
explains Task Force Chair
Ellen Sarnoff.*

2003-2004 Honor Roll

The Jewish Federation of South Palm Beach County is pleased to present our HONOR ROLL OF CONTRIBUTORS that recognizes generous contributions and acknowledges commitment to the growing south Palm Beach County community.

In an emerging community such as ours, leadership giving sets the standard for others to follow. The dollars raised during our Annual Campaign ensure that we can continue to provide

vital programs and services for our growing population, as well as help Jews in need throughout the world.

We also wish to acknowledge the ongoing generosity and commitment of individuals in our community not listed here who contribute annually to the Federation/UJA Campaign. It is the dedication and loyalty of all our donors that make our mitzvah of community tzedakah possible.

In the following pages contributors are listed alphabetically by giving levels.

The Lion of Judah pin was created for women making a personal pledge to the Annual Campaign of \$5,000 or more. The pin has firmly established itself as a symbol of commitment to the worldwide Jewish community.

Lion of Judah Endowment (LOJE)

Symbolized by a 14K gold flame emanating from the Lion of Judah pin, it represents the establishment of a permanent fund guaranteeing that a woman's annual financial commitment of \$5,000 or more to the Federation/UJA Annual Campaign will be made in perpetuity.

Morasha - \$1,000 to \$4,999

This category has been given the Hebrew name "Morasha" meaning "Heritage." It appears in the Book of Deuteronomy when Moses commanded the Torah to us as a heritage for the Jewish people.

The beautiful handcrafted pin is designed to look like an open Torah scroll with the Federation menorah logo set in the center of an etched cityscape of Jerusalem with a diamond in the first flame of the menorah. For each \$500 above the \$1,000, an additional diamond is added. At the \$2,500 level, a ruby is placed in the center flame of the menorah.

Lion of Judah Endowment

\$100,000 +

The Lion of Judah Endowment program is a joint effort between the Foundation and the Women's Division of the Jewish Federation of South Palm Beach County. Establishing a Lion of Judah Endowment (LOJE) allows a woman to endow her gift in perpetuity. Women of any age can provide a legacy and safeguard their values forever. The Or L'Atid (Light Unto the Future) flame, attached to the outstretched paw of the lion pin symbolizes a woman's commitment to the continuation of Jewish life. Donors creating a LOJE fund with a minimum of \$100,000 are recognized by membership in the LOJE Honor Roll and on the Federation LOJE recognition wall. Gifts may be made through a charitable remainder trust, life insurance, IRA, bequest, charitable gift annuity or an outright current gift such as cash or appreciated stock.

Men's Perpetual Annual Campaign Endowment (PACE) Honor Society

\$100,000 +

As a complement to the extremely successful Women's Division Lion of Judah Endowment (LOJE) program, the Jewish Community Foundation of South Palm Beach County instituted the "Men's Perpetual Annual Campaign Endowment (PACE) Honor Society." As in the LOJE program, when a man permanently endows his annual campaign gift to our Jewish Federation with a current or deferred gift of at least \$100,000 or equal to twenty times his annual campaign gift, he becomes a member of this very prestigious group. Each of the men proudly carries a beautifully engraved, sterling silver money clip from a famous New York jeweler, signifying his outstanding commitment to the Jewish people.
